

2015 Snowboarding

Any rider who understands what a cranked back Japan grab or a Rodeo 540 is will be stoked with Snowboarding 2015. A collection of the dopest stunts for all serious enthusiasts, from the newbies to the seasoned riders. The sky is blue, the air is crisp, and the stop-action images on the sick slopes of this twelve-month calendar gives you just the fix you need. Earth friendly (of course), and printed with soya-based inks on FSC certified paper.
