

Power Crystals Journal: A Guided Journal to Magical Crystals, Gems, and Stones for Healing and Transformation

It is no wonder that crystals have always been regarded as a source of power. Bright and flashy, and impressive no matter what their size, crystals hold an aura of mystery. With Power Crystals Guided Journal, you can work your way through hundreds of crystals, gems, and stones that have been revered and used for healing for thousands of years as well as five exciting, newly discovered stones. Enjoy exploring the history, mythology, and symbolism of the crystal in addition to its healing properties and environmental effects. Work at your own pace through both high vibration crystals that experienced crystal workers will want to explore as well those suited to beginners.
