

# Brain Change To Abundance: Effortless Method That Changed My Life: Creating Your Own Reality (Creating Your Own Reality Series)

My Brain Change to Abundance introduces refreshing new ideas about abundance and prosperity. For those who live in fear or those who live in a world of lack, this package (audiobook + two 30 minute long brainwave entertainment audios) does offer much hope. Listeners who have had enough of traditional programs and self-help books or enough on the law of attraction will find this book refreshingly inspiring. We live in a world of infinite possibilities yet many of us are stuck in the box we call our life. What we don't realize is that much of this has to do with our brain. The brain is our processing center and it controls our level of happiness and abundance. Affirmations and self-help programs will continue to fail if one doesn't change their thoughts at a very deep level. The truth is that change is an inside job and if you are having trouble manifesting change - it is more than likely that your brain is at war - with itself! Most of today's personal development technologies completely ignore the fact that the subconscious part of your mind must be congruent with the CONSCIOUS part of your mind in order for lasting change to occur. The real solution to making affirmations and positive input work is getting the message deeply embedded into both the left and right side of the brain. This is known as whole brain synchronization and it is the key to getting both your conscious and subconscious mind to work together in support of lasting change. Join Leslie on this precious journey as she shows you how you can completely transform your life - using the power of your brain. The way in which we see the world, our internal maps, helps us navigate the difficult waters of life but the truth is that our maps are often outdated, which causes us to move in the wrong direction. If your brain is operating on old outdated information, then that is what it continues to manifest in your life. Starting

with a simple Ericksonian style tale about the town of lack, this book will change your perspective as it pertains to prosperity and abundance. Your state of mind and your ability to enjoy life is determined almost exclusively by your brain wave patterns. Your brain is essentially a collection of electrical impulses and vibrations. These impulses create rhythms known as brainwave patterns, and these patterns create and continue to recreate your life. Through the magic of brainwave entrainment, you can fix all of this and create any kind of life you desire. From brain biology to neurotransmitters, this book has it all in one tiny little package. It can show you how you can change your life merely by changing your brain. Written by a Clinical Hypnotherapist, this book will show you how you can live a better life, using the magic of brainwave entrainment.
