SCHOOLED 4.0 The SMUT-TACULAR Teachers Edition Four Books in One How far will you go for an A? ** This book is for mature, open-minded people.** Well, not necessarily MATURE people. Actually, Id say that its more for IMMATURE, vulgar, raunch-loving adults. Adults as in 18 and over and preferably OUT of high school. All others: one-click something else, because this book is graphically hot and not for the faint of heart. The horrifying shock of witnessing her husband banging his skank-whore secretary spurred this ever-wholesome and rule-following teacher to seek some new lessons of her own. A young teacher learns about sexuality, pleasure, and satisfaction from rather unlikely and forbidden teachers, her former students, now recent college graduates. Not only does she get SCHOOLED by the beautifully-built, all-American football player who struggled to pass her class, but she also learns a few tricks from the innocent, well-read, and thoroughly sexy bookworm. Both men teach her that not all curricula worth learning comes from a book. But when its time to make THE FINAL LESSON PLAN, the newly-sexualized teacher must take the curriculum further into the bedroom and even closer to her heart in order to decide which scholar will graduate cum lade. But while the teacher is working on her lessons, her friend is making some heat of her own in CHAR GRILLED JASPER, burning up the pages with sexy secrets and sizzling sensuality. Meanwhile, a girls only class is experimenting in the sciences with a focus on chemistry, physics, and of course anatomy in ALL GIRLS SCHOOL.
