

Alone in a new town on business and bored out of her mind after a day spent in a hotels conference room, Kelly Ann is ready to step out. No one knows her here; no one needs to know that shes usually a shy, prudish accounting nerd who never has any luck with the guys. On an impulse, she heads into the poshest club she can find. And right away, all eyes are on her curvy body. Theyre looking at her with a hunger that is almost...primal. Her night of fun spirals into a night of unbridled passion when Sawyer comes back to her hotel room. Hes rough, hes dominant and he can do amazing things with knots. And the things he does to her curvy body are downright...unBEARable.
