

# Mary Ellen Guffeys Business English, Sixth Edition

This book provides a complete review of the fundamentals of English grammar and usage, with plenty of easy-to-use exercises that allow you to develop the language skills to achieve successful written and verbal communication in the business world. The book features author Mary Ellen Guffeys trademark three-level approach to teaching language concepts, allowing you to measure progress and see success while moving from the basics to more complex language concepts. This new edition includes updated coverage of the Internet and other office technologies, and more exercises for review and practice than any other Business English text on the market.
