

Gratitude: ...its like glitter for your soul!

Gratitude...its like glitter for your soul! is an in depth look at how gratitude can shape our reality. The book contains true stories and anecdotes from women around the world live their lives from a place of gratitude. This book is a must read for anyone wanting to find that inner spark and reignite their passion for life. It inspires and motivates you to always come from a place of gratitude, no matter how dire your circumstances may seem. With gratitude comes an appreciation for the amazing life we have been given and when we truly embrace our life we begin to live with passion and fulfillment. Whilst this book (as are all the books in The Nurtured Woman series) has been written by women for women, everybody can benefit from embracing gratitude into their daily life.

Gratitudeits like glitter for your soul! is an in depth look at how gratitude can shape our reality.
