

The Sentinels (Harbingers) (Volume 3)

Five characters--with gifts they do not fully understand-- are mysteriously brought together to battle growing pockets of darkness throughout the world: Brenda the street-hustling tattoo artist who sees images of the future. The Professor the atheist ex-priest ruled by logic. And the professors brilliant-but-geeky assistant who sees inexplicable patterns. Tank the naive, big-hearted jock with a surprising connection to a healing power. Daniel the institutionalized ten-year-old who can see into the supernatural realm. Thousands of animals are mysteriously dying all over the globe ... falling from the sky, washing up on beaches, and dying in lagoons. What could it mean? When the tragedy moves from Andis dreams into reality, she discovers a pattern in the mass deaths, and her theory doesnt bode well for mankind ...
