

## Playtime with Penny (ABDL Ageplay)

I want you to play with me. Penny had always been Robbys favorite little girl... that is, until she gained her killer curves. Now shes Robs BIG dick-straction. Before Penny heads off to her new job, she has a few ideas in mind on how to bond with her best friend. She wants to relive some of her favorite activities from a more innocent time, but they quickly wind up being anything but. \* This is a kinky erotic ABDL short story. Contents include: diaper fetishism; a VERY naughty game of Twister, Horsey and Airplane; blowing sexy raspberries; erotic age play... and MORE! (previously titled Rubys Regression) EXCERPT: Suddenly a thought popped into her head, causing her eyes to light up. Hey Robby, she said. Did you ever go for horsey rides on your d\*ds knee? Yes, I replied, picturing my joyful, five-year-old face. Do you think you could do that with me? asked Penny sweetly. Anything for you, princess, I said as I moved onto the couch. I patted my left leg, encouraging her to saddle up. Giddy up, cowgirl! Penny smiled a wide smile and quickly mounted my thigh. Her smooth, moist cunt felt blazing hot against my skin. Ready? I asked as I began to jostle the baby girl on my knee. You might want to find something you can, uh, hold on to... Not missing a beat, Penny reached behind herself and grabbed onto my dick. My Penny was a smart girl.
