

# Deep in the Wave: A Surfing Guide to the Soul

For world-class surfer Bear Woznick, the ocean has always been the center of his universe. He's spent his entire life with it; riding its waves, learning from it, loving it. The ocean also nourishes the soul as Bear shows us on his surfboard. In *DEEP IN THE WAVE*, readers ride along with Woznick through the calmest of tides and most turbulent waves. Woznick's portrayal of the beauty and power of the ocean is truly inspiring and showcases the profound meaning surfing has had on his life. From the way a surfboard is painstakingly crafted, to the faith and patience that is required to ride a monster wave, Woznick weaves his relationship to surfing with his relationship to God, relating how the two are often one in the same. Instead of standing on the shore with our toes in the surf, Woznick takes us on the board--to the deep water--to watch and wait--and, if need be, to paddle hard to survive.
