

Wilder Side (Rock Star Gay Erotic Romance) (Gay Rock Star Book 1)

Jason has always loved the rock band Wilder Side, especially the dreamboat lead singer Alex Wilder. When he wins backstage passes to one of their shows, he is excited to finally meet his idol. But this rock star has a secret that Jason is about to find out, a secret that will change his life forever...[Warning: this 12k erotic romance story includes explicit descriptions of gay oral and anal sex. Not for the faint of heart!]**JEXCERPT:**Alex looked over toward Jason, and his attention was drawn to the girls whispering on the couch. Oh, you're gonna tell secrets? Alex teased them. They giggled. Maybe, one of them said, batting her eyes at Alex. Jason was revolted at the sight, but Alex just laughed. We can tell secrets too, you know. He scooted over on the couch next to Jason, and leaned over as though to whisper something into his ear. Jason's body pressed hard against Alex's. And just like that, Jason's cock was straining against his pants, pulsing with his pounding heartbeat in an insistent rhythm. A hot flush rose on his skin. Then Alex cupped his hand against Jason's cheek and moved closer, and Jason thought he might die right then and there from the singer's sheer proximity, his body heat radiating against Jason's side enough to burn him. Jason certainly felt heated enough. His face must have been beet red and his blood was pumping in his veins. The curve of Alex's hand rested on his cheek, burning hot, and when the sex god bent his head down to his ear Jason felt himself melt with desire from the heat of Alex's breath. That his lips - those lips from which such music is torn - should be hanging sweetly so close to Jason's own skin was a torture of the most pleasurable kind. But the real shock, the thing that sent Jason's brain into a kind of game-show-winner-like paralysis, came just after, when Jason heard Alex speak two words in a soft whisper. They were two ghost notes in his ear, but they seemed to echo until they were as clear as if Alex had

spoken them aloud. Want you.
