With the Thanksgiving holiday right around the corner, twin sisters Loretta and Lacy Sweet are excited about their parents upcoming visit and to show them around their new home in the cozy town of Misery, Mississippi. On the day that their parents are scheduled to arrive, Uncle Ichabod disappears, leaving a mysterious note behind. Loretta, feeling compelled to track her uncle down, follows him to Las Vegas, accompanied by her reluctant twin sister, Lacy. As they begin to sort through the clues to find their quirky relative, the amateur sleuths discover he's really there to settle an old score from years earlier. Can the girls find Uncle Ichabod before it's too late...or will bad blood from the past put all of their lives in danger?
