

The Case for a 100 Percent Gold Dollar

Rothbard not only argues for the gold standard; he shows how it can be restored in a practical, step-by-step plan. No other system will stop the seemingly endless monetary inflation of the Federal Reserve system. He also makes his strongest case against fractional reserve banking. This essay was written in 1962 and this edition includes Rothbard's sweeping introduction from 1991, in which he argues that the true gold standard is more viable than ever.
