And with the help of her agent and a struggling young publisher, hes concocted a cant-fail scheme that will make them all rich. Olivia Hayden is about to receive a heavenly visitor?an angel with a message for all humankind. All it takes is a blinding light and little adjustment of her meds, and when she awakes shell think it was real?and theyll have an instant best-selling book. The scheme seems foolproof. All they have to do for it to work is be good angels and stay out of trouble. But Kemp McAvoy has never been good at staying out of trouble?and he doesnt realize there may be out-of-this-world consequences for impersonating an angel.
